"It was truly an amazing sight to see so many people 'come alive'... Julie gave the staff concrete ideas on how to motivate themselves, how to see the bright side of life and ways to maintain that motivation..."

Joanne Brody, Program Coordinator, Mulberry Child Care Centers, Inc.

"We send you our sincerest thanks for bringing new energy to our preschool... Your ideas opened new doors for us to explore and helped us to become more self-confident. The Carousel staff was truly grateful to have you return for a second year..."

Phyllis A. Regan, Director, The Carousel School

"I thought you were wonderful! So positive and upbeat. You truly inspired me to be all that I can be!... As Oprah would say – 'You go girl!' Keep up the good work."

Joan Billard, Director, Little Kids

"Inspirational, enlightening, amazing!!! I began to feel drained and tired. I also felt like I was the only one feeling this way. Julie made me realize I wasn't alone and I can make a fresh start and a more positive beginning."

Pre-K Teacher

"I found Julie to be upbeat, positive and full of NEW and UNIQUE ideas."

Debbie Taylor, Director, Next Generation

"Your keynote was not only invigorating and positive, it served as a springboard for the rest of the day. The presentation gave our staff a positive focus not only for the Professional Development Day, but for going forward into their classrooms... Thank you for helping 'take care' of our staff."

Patti Nurse, Administrative Director of Operations, Mulberry Child Care Centers, Inc.

"This presentation changed my whole outlook..."

Elaine Fitzgerald, 3rd Grade Teacher

"The general 'buzz' of the group was that this was 'the best presentation of the day'... Your presentation style was engaging, uplifting, and motivating... You possess the unique ability to present a somewhat challenging topic of effective communication, which includes the destructive component of gossip, in a way in which each individual could reflect upon him/herself for the better of the center and the children... They left the in-service training more positive, energized and motivated to create a positive working environment."

Michelle Meace, Regional Manager, Apple Tree Children's Center

"Your programs are so valuable because in a relatively short period of time you pack in a great number of solutions. You help us to keep the focus positive and to concentrate on results. Your enthusiasm, knowledge of the subject at hand and your passionate commitment to the field are inspiring and keep us coming back for more."

Sherry Ward, Director, Carlisle Extended Day

"Your presentation style involves the audience, keeps their interest and focus, and gives them the motivation to put into practice all that you share with them."

Loretta Wuerdeman, Training Coordinator, Child Care Resource and Referral Center

"I would like to thank you again for all that you've done for us! The whole atmosphere here has changed in a major positive way. Staff are still saying many positive things about you as a person and your workshop teaching techniques."

Amy St. Louis, Assistant Administrator, Building Blocks
